

Hearing the General Overseer's inspiration for a special fundraising project for Phase II of our Tabernacle endeavor, the CPMA Committee would like to boost and extend an opportunity for you to participate in a unique program entitled "Heritage Acres."

This fundraising campaign will allow individuals, local churches, States, Regions, and Nations to sponsor a quarter, half, or full acre of property at the new Tabernacle site. To show appreciation for their donation, the contributor will be recognized on a distinctive honor wall to be displayed in the new Tabernacle building. You may also donate to this cause in "Honor of..." or "In Memory of..." a loved one.

This is a groundbreaking opportunity to demonstrate "Tabernacle Zeal" and be counted as part of this landmark effort. Space is limited, so time is of the essence to take part!

Heritage Acres Sponsorship levels:

- Quarter Acre: \$2,500
- Half Acre: \$5,000
- Full Acre: \$10,000

Please note: The picture illustrates an artist's conception of what the Heritage Acres wall could look like. Headquarters is not selling acres of the newly acquired land. This is only an opportunity to sponsor an area of the new property by raising funds to continue our progress as the Church enters Phase II. The new property is not to be called Heritage Acres. This name is being used for fundraising purposes only.
